Round: _____

Ohio Center for Law-Related Education
Moot Court Competition Score Sheet

Award points for each element, for each speaker. After, add all of the points in each column and total the points on the bottom row. **Each category is worth 10 points.** In the event that a team has violated one or more of the rules of the competition (e.g. they exceeded their allotted time, they cited case law not part of the case materials, etc.) subtract 10 points from that student’s score. In the event that you feel the rule violation exceeds excusable error, please alert a member of the OCLRE staff. After you complete your scores, please share a brief “reason for decision” in the space provided.

When complete, please sign your name at the bottom of the ballot, and date the form.
